Next Club meeting March 3rd @ the Clubhouse 7:30 pm

Presidents Corner: Tod Smith,

Hello All,

Another great turnout at the February general meeting! Thank you.

It sounds like our Rally Master has planned a great year of activities for our club, thank you Anna.

At the last meeting, it was brought up that we are not going on any Dirt runs. However, Frank Raines is a Dirt run as is Stonyford.

I think that we are all open to going to new events and trying out new places to run. There are runs with other clubs to go on and there are lots of Car shows/Parades that we can participate in during the coming month's. As for my family and possibly others as well, we are limited to the amount of vacation time and \$\$ it takes to go on some of the out of town events. Idaho, Dumont and Stonyford take up the majority of our time & \$\$\$. Please attend as many runs of interest that you can and bring your stories and adventures to the meetings to share with the rest of us. And as always, if you know of a place that you would like to check out feel free to gather up as many club member's as you can and Go have a ball.

Until next time,
Tod

New Business: The In and Out party was very nice a big thank you to the Thurston's for hosting the party. Tod asked for new ideas for 2010, perhaps attending car shows, several ideas were thrown and many are going to be further looked in to.
