BOD. meeting at Mtn Mike's Pizza Home April 29, 2009

**Rally planning meeting at the Meads 6:30 April 22, 2009**

**Next Club meeting May 6th @ the Clubhouse 7:30 pm**

**Presidents Corner:** Doug Robertson, President.

Hi gang,

I'm going to make this short. The rally preparations are moving right along but I have to give credit to all the people in the club that are pitching in and making it happen. I

don't need to name names but you all know who you are. Thank You All. There is still more to be done but after the Mead's hosted a planning party which fine tuned a lot of the details things are beginning to fall in place. The Mead's will be hosting another planning party where we will make more marker ribbons and assemble rally packets.

This will be on the 22nd at 6:30pm at Rick and Diana's. We can always use help so if you are available come on over and help out. Just as a

footnote I spent my afternoon going around putting up flyers at local motorcycle shops and auto parts stores including Monument Car Parts which has stores all around the area, Kragen's, Auto Zone, Cycle Gear, Ace Motorsports, and Mdk cycles which put up several around the store. Good people there.

Happy Trails,  
Doug

**Old Business:** Last month we discussed the web site and we need to make the upgrades to the website's. Cost is about \$400 which takes everything on the site now and moves it to a more user friendly site. Motion made and approved in an amount not to exceed \$500.

**New Business:** Rally, *Michel mailed flyers to the mailing list and is ordering the trophies. Three trophy's per class; motion made and approved to spend up to \$150 for the trophies.* Another motion made for dash plaques not to exceed \$150 to read "30 Down and Dirty" and the date. The Menu for the rally will be tri tip, salad, potato salad, french bread and *dessert*. Bev asked people to volunteer to cook and serve. Bev has spent roughly \$160 dollars and expects to spend maybe another \$100. Motion made for \$200 to pay for the food, approved. Bill suggests doing a poker run because Corva made \$1600 at Family Fun Days. Carla inquired about what events we were going to be having.

A special meeting just to firm up ideas for the rally will be at The Meads home on April 8th at 6:30.

### **Rally Report:**

March was a rather *quiet* month. We did have an absolutely fabulous turn out for the first 2009 Dinner Night at El Tapitio in Pleasant Hill. There were 30 people and at least one guest. The food, service and company was great. Just as this was ready to be sent out the Haley's called to let us know they have just heard El Tapitio had a fire over the weekend and again closed down. If anyone has suggestions with regards to someplace they would like to go for the next dinner, just let us know and we can check it out,.

May is our big event for the year, We would appreciate any assistance that any of our club members would like to help with and now is the time for suggestions . You can call any of us if you wish to help or have suggestions.

Looking forward to seeing you all there,
